Furthermore, I urge you to ensure that the Assistant Police Inspector (API) of Pimplagaon hare Police Station. promptly updates the Charter of Citizens in the prescribed format and publishes it on the official website with the necessary signatures. Timely compliance with these requirements is essential for upholding the principles of good governance and ensuring public trust in government institutions.

The public has a right to transparency and accountability in matters of public safety, and it is essential that those responsible for such lapses are held to account.

If strict action is not taken to rectify this negligence and breach of duty, I am prepared to take further legal

action. I will not hesitate to file a Public Interest Litigation (PIL) or writ petition with the honorable High Court of Aurangabad, in accordance with the provisions of the Indian Constitution.
