General Administration Department (GAD)

Subject: **Request for Investigation Against API Prakash Kale,not been residing at his official headquarters Pimpalgaon Hare Polic**

Respected Sir/Madam,

I, Nilesh Namdeo Ubhale, a resident of Bhoje and a social activist, am writing to formally request a high-level Special Investigation Team (SIT) to investigate the posting of API Prakash Kale posted at Pimpalgaon Hare Police Station.

API Prakash Kale has not been residing at his official headquarters at Pimpalgaon Hare, as per the requirement. Instead, he is staying at F... for the inconvenience to the public and me due to his non-availability at the police [station.as](#) per law and guideline GR.

I request an immediate high-level investigation into this matter and demand that:

1. A **Special Investigation Team (SIT)** is set up to thoroughly examine the complaint.
2. **CCTV footage** of Pimpalgaon Hare Police Station is collected and verified from the date of API Prakash Kale's **posting till the present**.
3. The **mobile phone location history** of API Prakash Kale is analyzed from his posting date till today (Mobile Numbers: 8850434262).
4. **Statements of all police personnel** working at Pimpalgaon Hare Police Station are recorded.
5. The **CCTV footage is stored as per legal requirements** to ensure crucial evidence is preserved.
6. **Preventive action** is taken against API Prakash Kale, including **his immediate transfer** from Pimpalgaon Hare Police Station, as he is not residing at his official headquarters.
7. **He is suspended immediately post-investigation and a departmental inquiry is initiated as per the law.**
8. **The departmental inquiry should be completed within six months, and he should be dismissed from service if found guilty.**

If this issue is not addressed properly within the legal framework and within a stipulated time, I will be compelled to file a case in the Honor... officers/team for negligence in duty.
